INDEPENDENT AUDITORS' REPORT

Wilmington Trust, Trustee
Resettlement Trust Fund for the
People of Bikini

We have audited the accompanying financial statements of the RESETTLEMENT TRUST FUND FOR THE PEOPLE OF BIKINI, which comprise the statements of Financial Condition, as of September 30, 2013 and 2012, and the related Statements of Income, Trust Equity and Cash Flows for the years then ended, and the related notes to the financial statements.

Management's Responsibilities for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

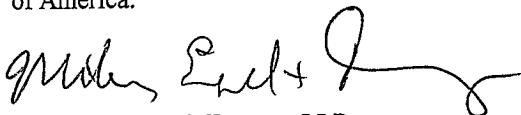

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the RESETTLEMENT TRUST FUND FOR THE PEOPLE OF BIKINI as of September 30, 2013 and 2012, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

RESETTLEMENT TRUST FUND FOR THE PEOPLE OF BIKINI

NOTES TO FINANCIAL STATEMENTS

NOTE 1 — THE TRUST AND A SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Resettlement Trust Fund for the People of Bikini (the Trust) was established by the U.S. Congress under Public Law No. 97-257 on October 16, 1982 and a Trust Agreement which was approved by the people of Bikini and the Secretary of the Interior effective October 18, 1982. The Trust was amended effective October 26, 1988 in order to comply with Public Law No. 100-446.

Assets and liabilities and revenues and expenditures are recognized on the accrual basis of accounting.

Public Law No. 97-257 provides that the Trust is to be exempt from all Federal and local taxes. Therefore, the Trust has no tax liability and has paid no income taxes.

The Statement of Financial Condition has not been segregated between current and noncurrent classifications. The classifications between current and noncurrent investments cannot be determined as the Trust buys and sells investments depending on market conditions.

Recognized gain or loss on the sale of marketable securities is recorded utilizing the first-in, first-out method of accounting. Pursuant to the trust document, capital gains and losses are considered income by the trust.

Cash per the Statement of Cash Flows is considered to include all cash held by the Trust including cash reserves and short-term investment funds held in various brokers' accounts. Cash flows from Trust activities include all investment activities of the Trust.

The Trust maintains its cash balances with Wilmington Money Funds and UBS RMA Government Portfolio Funds. The balances are not insured by the Federal Deposit Insurance Corporation. At September 30, 2013 and September 30, 2012, the Trust's uninsured cash balances total \$1,720,430 and \$2,369,286 respectively.

The Trust paid no interest during the year ended September 30, 2013 or September 30, 2012.

All expenditures of the Trust are deemed distributed to the Bikini/Kili/Ejit Local Government Council (the Council). These amounts are allocated as expenditures from corpus or as expenditures from income. These allocations are determined by the Council, the trustee and the Trust's legal counsel.

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investments are stated at cost; if a decline in market value is considered other than temporary the cost is adjusted for the impairment.
