Honorable Minister Gerald Zackios
Ministry of Education, Sports and Training
Republic of the Marshall Islands

Dear Minister Zackios:

We have audited the accompanying cash basis financial statement of the Majuro Seventh-Day Adventist Schools System for the Project for Procurement of School Bus for Majuro Seventh-Day Adventist Schools System in Majuro Atoll (the "Project), financed by the Embassy of Japan in the Republic of the Marshall Islands, which comprises the schedule of receipts and disbursements for the period from March 16, 2023 through April 6, 2023, and the related notes to the financial statement in accordance with auditing standards generally accepted in the United States of America ("generally accepted auditing standards") and have issued our report thereon dated June 23, 2025.

We have prepared the following comments to assist you in fulfilling your obligation to oversee the financial reporting and disclosure process for which management of the Project is responsible.

This report is intended solely for the information and use of the management of the Project, the Embassy of Japan in the Marshall Islands, pass-through entities, and others within the Project and is not intended to be and should not be used by anyone other than these specified parties. However, this report is also a matter of public record.

Very truly yours,

Junior Patrick
Auditor General

cc: The Management of the Project.

OUR RESPONSIBILITY UNDER GENERALLY ACCEPTED AUDITING STANDARDS AND GENERALLY ACCEPTED GOVERNMENT AUDITING STANDARDS

Our responsibility under generally accepted auditing standards, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, has been described in our notification letter dated March 12, 2025. As described in that letter, the objective of a financial statement audit conducted in accordance with the aforementioned standards are:

- To express an opinion on the fairness of the presentation of the Project's financial statement and the accompanying supplementary information, in relation to the financial statement as a whole, for the period from March 16, 2023 through April 6, 2023 (the "financial statement"), in conformity with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America, in all material respects and
- To report on the Project's internal control over financial reporting and on its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters for the period from March 16, 2023 through April 6, 2023, based on an audit of financial statements performed in accordance with standards applicable to financial audits contained in generally accepted government auditing standards.

Our responsibilities under generally accepted auditing standards include forming and expressing an opinion about whether the financial statement that has been prepared with the oversight of management and the Office of the Commissioner of the Public School System is presented fairly, in all material respects, in conformity with the cash basis of accounting. The audit of the financial statement does not relieve management or the Office of the Commissioner of the Public School System of their responsibilities.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statement, whether caused by fraud or error. In making those risk assessments, we considered internal control over financial reporting relevant to the Project's preparation and fair presentation of the financial statement in order to design audit procedures that were appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Project's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Project's internal control over financial reporting. Our consideration of internal control over financial reporting was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses.

SIGNIFICANT ACCOUNTING POLICIES

The Project's significant accounting policies are set forth in Note 2 to the Project's financial statement. During the period from March 16, 2023 through April 6, 2023, there were no significant changes in previously adopted accounting policies or their application.

We have evaluated the significant qualitative aspects of the Project's accounting practices, including accounting policies, accounting estimates and financial statement disclosures and concluded that the policies are appropriate, adequately disclosed, and consistently applied by management.

ACCOUNTING ESTIMATES

As the Project's is using the cash basis of accounting, no accounting estimates were recorded during the period from March 16, 2023 through April 6, 2023.

DISAGREEMENTS WITH MANAGEMENT

We have not had any disagreements with management related to matters that are material to the Project's financial statement.

OUR VIEWS ABOUT SIGNIFICANT MATTERS THAT WERE THE SUBJECT OF CONSULTATION WITH OTHER ACCOUNTANTS

We are not aware of any consultations that management may have had with other accountants about auditing and accounting matters.

SIGNIFICANT FINDINGS OR ISSUES DISCUSSED, OR SUBJECT OF CORRESPONDENCE, WITH MANAGEMENT PRIOR TO OUR RETENTION

Throughout the period, routine discussions were held, or were the subject of correspondence, with management regarding the application of accounting principles or auditing standards in connection with transactions that have occurred, transactions that are contemplated, or reassessment of current circumstances. In our judgment, such discussions or correspondence were not held in connection with our retention as auditors.

OTHER SIGNIFICANT FINDINGS OR ISSUES ARISING FROM THE AUDIT DISCUSSED, OR SUBJECT OF CORRESPONDENCE, WITH MANAGEMENT

Throughout the period, routine discussions were held, or were the subject of correspondence, with management. In our judgment, such discussions or correspondence did not involve significant findings or issues requiring communication to the Office of the Commissioner of the Public School System.

SIGNIFICANT DIFFICULTIES ENCOUNTERED IN PERFORMING THE AUDIT

In our judgment, we received the full cooperation of the Project's management and staff and had unrestricted access to the Project's senior management.

MANAGEMENT'S REPRESENTATIONS

We have made specific inquiries of the Project's management about the representations embodied in the financial statement. In addition, we have requested that management provide to us the written representations the Project is required to provide to its independent auditors under generally accepted auditing standards. We have attached to this letter, as Attachment I, a copy of the representation letter we obtained from management.

CONTROL-RELATED MATTERS

We have issued a separate report to you, dated June 23, 2025, on the Project's internal control over financial reporting and on its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters, which was based upon the engagement to audit in accordance with *Government Auditing Standards*. Within that report, we noted no matters that were considered to be material weaknesses under standards established by the American Institute of Certified Public Accountants.
